Interior Drawer Capacity

Due to the hardware, the interior width of drawers is 5" less than unit width. A 30" wide unit has an interior width of 25")

Full depth units have a fixed interior drawer depth of 20.5" which fits four 5" bins comfortably.

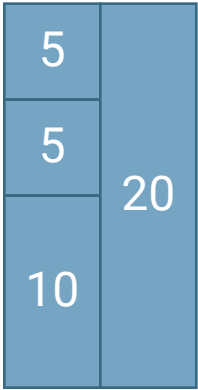

On the right we have a chart outlining the available 5" increment widths per drawer width.

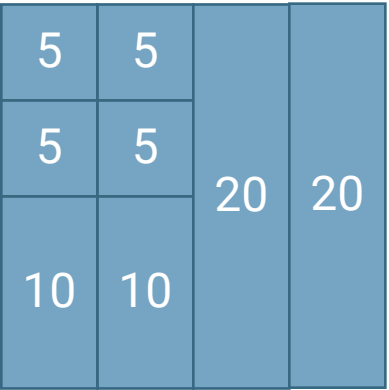

Unit Width	Number of 5" Increments
12" - 15"	1
15" - 20"	2
20" - 25"	3
25" - 30"	4
30" - 35"	5
35" - 42"	6
